

# Silvia Rutendo Mwashita

VETERINARY ASSISTANT

I am looking forward to working with an organization where we can both grow and put my abilities to use. The possibility to collaborate with you and strengthen my abilities in my expanding career would be of special importance to me. Fast learner, very organized, and devoted applicant with considerable expertise providing animal care. Skilled in keeping track of animal vitals and meeting deadlines. Highly structured, and works well in groups. I work well with minimal supervision and am diligent. A motivated individual looking for work. Highly self-assured and persuasive team builder, capable of motivating and communicating effectively. My goals are to develop immeasurable abilities, knowledge, and competence that will be extremely useful in the future. to enhance my knowledge of veterinary practice
